Dunbarton Energy Committee Meeting Minutes, Apr. 17, 2017
Members Present: Bob Ray, George Holt, Bob Martel, David Elberfeld, Louis Duval, John Stevens
Public: None

Meeting opened at 7:04 PM

1. Public comment
   • None
2. Approval of Mar. 20 Minutes
   • Approved
3. Review of 2017 Energy Expo
   • Decided to hold a 2018 energy Expo. Tentative date, Saturday, April 7.
   • Other ideas: Align with another event to increase public attendance, stay at the school gym until we outgrow the gym and parking.
   • Need to get invitations out to vendors in December.
4. Neighbors Warming Neighbors program
   • We had 6 clients in the 2016-2017 season. All reports have been delivered to clients.
   • We need to start advertising the program ASAP, Old Home Day, Arts on the Commons, etc. for the 2017-2018 season.
5. How to get the word out to support solar installations in town
   • Needs a mission statement to focus on.
   • Program similar to Solarize or SolarUpNH? Currently operating in other areas of the state through the Regional Planning Commissions. The program bundles potential installations and then contacts solar installers to get the lowest price for homeowners. HAREI in Bedford operates a similar operation.
   • This approach would also help get the word out.
   • Solar roofing is now available, replaces conventional roofing.
6. EC website
   • Bob has the new version of the original website operating in Wordpress. Bob has. Members will be able to review and provide edits.

Meeting adjourned at 9:07 PM
Next meeting: May 15, 2017
Respectfully submitted: John Stevens
