

Dunbarton Energy Committee Meeting Minutes, Jan 18, 2016

Members Present: Lee Richmond, John Stevens, George Holt

No votes taken, no quorum.

Meeting opened at 7:32 PM

1. Approval of June EC minutes

- Approved

2. Public comment

No public in attendance

3. NWN program update:

- A member requested that we do a formal audit on his home since he has insulated many areas. (A summary check had been done last year) He also offered to use the images in a demonstration as an example for future clients.

4. Town Office parking lot lighting

- The Selectmen have selected a lighting design to put out for quotes. John sent out the RFQ to four vendors last week.

5. Solar installations

- George volunteered to design a form to gather information on solar installations done by Town residents to be used to learn to better advise other residents considering installations.

6. 2016 Energy Fair

- John will contact the School to check on availability for the April 9th date initially chosen last month. We will bring Bob Eldredge in to advise, he has considerable

7. Energy Roundtable

- A meeting has been scheduled for Jan. 26th with energy organizations in the Concord area to form a plan for future meetings and initiatives.

8. Membership

- We need to find ways to induce increased member participation as well look for at least two new members to replace expiring terms as well as those willing and able to work in Neighbors Warming Neighbors to spread the workload and add new talent

Meeting adjourned at 8:24.

Next meeting Feb. 15, 2016.

Respectfully submitted: John Stevens
