2. Other Energy Committees activities and new ideas for ours.
  - o Round table discussion of new approaches and activities to connect with Town Residents. It was agreed that our website will remain our primary voice to the public; we need to attract people to visit the and provide encouragement to frequent the site more often. We will look at holding community activities, gatherings and events, and adding new and current Members will contribute ideas over the next month to be reviewed at the next meeting.
3. The Selectmen suggested that we set up the Energy Committee table at the polls, Nov. 2nd. Lee and John will share manning the table, other members assistance would be helpful.
4. Lee's New Mexico project and other additions to our website. Lee was in New Mexico working on his project, discussion was deferred to the next meeting.

Next meeting: Monday, November 15, 2010 @ 7pm at the Dunbarton Town Office

Respectfully Submitted: Stevyn Dodd
