

Dunbarton Energy Committee Meeting Minutes, Mar. 21, 2016

Members Present: Bob Ray, George Holt, John Stevens

No votes taken, no quorum.

Meeting opened at 7:11 PM

1. Approval of June EC minutes
  - Approved
2. Public comment
  - No public in attendance
3. DEC Website
  - Kris supplied a comprehensive plan for website content and appearance. We decided to work on this further once the Energy Fair is behind us and we can better focus on it.
  - John will send out an email to the website email address to test whether it still works and who receives emails sent to it.
4. Neighbors Warming Neighbors
  - We will perform an audit on a member's home.
  - The Town of Washington has requested a meeting with us to review their first set of home visits & learn more about thermal image interpretation and reporting.
5. Solar installations
  - No action planned this month as we focus on the Energy Fair.
6. Energy Fair
  - Contacting vendors & exhibitors continues. George, Bob & John will assist in vendor contacts.
  - We will continue placing notices to area newspapers and organizations.
  - We will work to finalize the workshop schedule and content. Bob Eldredge from Bow is also acquiring presenters
  - The school form has been finalized and sent to the school. The Gym, Kitchen, Media Center and teacher's conference rooms have been reserved for Saturday, April 23.
  - John will complete the gym space exhibitor space location layout.
  - We have money in our EC account with the Town from last year's exhibitor donations to pay for publicity and other expenses for this year's Energy Fair.
  - We continue to work on developing the Kids' Energy Games.
7. Central NH Energy Hub.
  - John and Bob continue to attend State Energy Hub meetings and will work on setting up meetings for the Concord Hub.

Meeting adjourned at 8:24

Next meeting May 16, 2016.

Respectfully submitted: John Stevens
